Every day we are open is a business day, except Saturday, Sunday, and federal holidays. Deposits not made directly to an Alternatives employee (such as by mail, ATM or in the night drop) are considered made the next open business day after the day deposit is received. Deposits after 3PM on a business day, (2PM Friday) are considered made the next business day.

*\* Checks (in italics) are low-risk only when the following endorsement/deposit standards are met: 1) The check must be personally endorsed only by the payee, 2) must be deposited in an account held by that payee, and 3) must be deposited in person to a Credit Union employee. If a check does not meet all of these endorsement/deposit standards, it is not low risk and we may apply the longer hold period.*
